Benvenuti!

**The Italian American Heritage Society of Birmingham Presents
the Third Annual *Festa Italiana* Saturday, April 11, 2026.**

**Italian American
Heritage Society**

Keeping with the mission of the Italian American Heritage Society, this one day event will encourage, promote and preserve Italian culture and heritage with activities centered upon Italian traditions, foods, language, culture, history, religion, folklore, customs, celebrations, music and family!

In order to appreciate the accomplishments of Birmingham's original Italian-American immigrants, one need look no further than their children and grandchildren, who have distinguished themselves as business and professional leaders throughout the city. Italian Americans are proud blue-collar workers, business owners, managers, and corporate heads. They serve on professional and governmental boards and in their communities and places of worship. They have been recognized by their peers as distinguished physicians, dentists, pharmacists and attorneys as well as many other professionals. Maybe they should have been named, not for their own self-satisfaction, but as a testimony to the accomplishments of their grandparents. Their suffering and hard work produced many fine upstanding citizens.

Love and pride in the rich culture and traditions of Italian Americans in our city have given life to the idea of creating this unique festival in Birmingham. We hope you will join us in what is quickly becoming the most colorful and beloved festival in our community.
